Jingle Bells Christmas Smells

Jingle Bells Christmas Smells
Munching all the way,
Lots of fun to stuff our tumms
With food on Christmas Day

Jingle Bells Christmas Smells
With Snowman Sam we play
Lots of fun to see us run
Skidding all the way

Jingle Bells Christmas Smells
Red Robin is flying about
Lots of our songs we sing him
Chirps back with his loud shout.

Three Christmas Songs

Rhonda the Red-haired Reindeer

Rhonda the Red-haired Reindeer
Zooms up on high with ease
Running in Big Green Wellies
Stretching above her knees

Kids looking up from windows
See Rhonda flying high
Trailing a sleigh of presents
Magic Dusting across the sky

Above her in golden letters
Seen on a dark blue sky
She's writing out this message
Read it and it will say:

*Coming to bring to children
Zooming across the skies
With lots of toys for Christmas
Making a big surprise!*
